

FIRST SHOTS®

AN INTRODUCTION TO SHOOTING

**THERE'S NEVER BEEN A
BETTER TIME TO TAKE
YOUR FIRST SHOTS.**

JOIN US for a First Shots® introductory range session where you'll receive professional guidance on safe firearm handling and shooting practices. Discover the excitement of a thrilling new sport and enjoy a new sense of accomplishment unlike any other.

This event will cover shooting with handguns only, and as the name implies, First Shots® affords you the chance to "dip your toe" into the world of pistol shooting and with a very small time commitment.

We know that first-time shooters may have an intimidation factor preventing them from getting started, and this event is designed to remove that and possibly provide encouragement to move them toward more in-depth training or even fun shooting activities offered at BVRPC.

Scheduled First Shots® events will be posted soon, so check our website often so you get in on all the fun!
