

The Beaver Valley Rifle and Pistol Club Range

Rules and Regulations

Revised April 2021

Members and Non-Members using the Club are required to read and become familiar with these rules and regulations. Failure to do so could result in expulsion from the Club.

General Range Rules

1. Before using any range you must sign in. The sign-in sheet is inside the Clubhouse next to the office door. Classes, departments, and leagues may keep a separate record of their attendees.
2. All federal, state, and local firearms laws must be obeyed.
3. Members may have no more than 3 guests present at the same time; ALL guests must be listed on the sign-in sheet.
4. Guests who are shooting, 18 or older, must pay the range fee — see Dues and Fees Schedule. Deposit fee in Provided Envelope and place in slot at Sign-In area in the Clubhouse.
5. Guests must be accompanied by a Club member who shall be responsible for the guests' conduct.
6. Anyone under the age of 18 must be accompanied by and under direct supervision of an adult member at all times. Any children not shooting must be kept away from all firing lines.
7. Always point the muzzle in a safe direction.
8. Keep finger off the trigger and outside of the trigger guard until ready to shoot.
9. Keep action open and firearm unloaded until ready to use.
10. Be sure the gun is safe to operate. Firearms in an unsafe or poor condition are not permitted on any range.
11. Be sure the firearm and ammunition are compatible.
12. Be sure of the target and what is beyond. All rounds are to impact the appropriate backstop.
13. Wear eye and ear protection. This applies to both shooters and spectators.
14. Do not mix alcohol or drugs with shooting. Alcohol or drugs are NOT PERMITTED on Club property.
15. Ensure firearms are stored so that they are not accessible to unauthorized persons.
16. 15. Be aware that certain types of guns and shooting activities require additional precautions.
17. Maintain situational awareness of your surroundings.

 - a. Any time, for any reason, you want to go down range, you must operate the switch at your shooting position to turn on the safety lights.
 - b. You must use the safety lights even if you are the only person using the range because a shooter may arrive after you are down range and start firing.
 - c. You are solely responsible for the operation of your control switch. No other person is permitted to operate your switch, and you are not permitted to operate any others. It might appear that the lights have been flashing for a long time with no one around, but it takes a good while to walk down to the 400-yard line and back. Don't be tempted to turn off the lights and fire if you don't see a shooter for several minutes!
 - d. Before closing the range, it is common courtesy to let other shooters finish shooting a group.
 - e. When you operate your switch, you are responsible for ensuring other shooters have made their firearms safe before going downrange.
 - f. When you are through and leaving the range, make sure the safety light control switch at your position is turned off.

Police, Military, and other Non-Member Organizations

1. Agencies must contact the Pistol Executive by email or phone to request range reservations. If the Pistol Executive is unavailable, the Club Secretary can be used as an alternate point of contact.
2. Requestors will be notified if their reservation request was or was not granted. If granted, the reservations shall be posted on the website and at the clubhouse at least 5 days prior to the date that the agency will be using the range.
3. All organizations must have a completed Range Reservation Form on file at the Club before their reserved date.
4. Any deviations from the Range Rules must be pre-approved by the Executive Board in writing.
5. All organizations will have a designated range supervisor in attendance and observing the line.
