Legislative Reports: KelseyLegislative & FOAC Reports:

- **FOAC Institute Call to Action: PA House Judiciary Committee Vote to Infringe Upon Civil Rights with Mandatory Storage Bill** – On Monday, June 8th, 2026 at 10:30 AM, the PA. House Judiciary Committee will discuss bills before the Committee for consideration. One of those bills is HB 2244 – Secure Storage for Firearms. There are numerous reasons why this bill should be seen as a clear attack on our Article I, Section 21 right here in PA. The government of this Commonwealth has NO PLACE in mandating how law-abiding gun owners secure their firearms in their homes, automobiles, or on their persons. This is yet another effort to infringe upon the civil rights of very resident of Pennsylvania. However, representatives from the Democrat party who dominate the judiciary committee continue to push for government oversight of how we exercise our Article I, Section 21 right in PA! SHALL NOT BE QUESTIONED. Help do your part to keep the 2nd Amendment alive in Pennsylvania! See the board for the list of Representatives supporting this bill and what to say to them.

*If you wish to read the full articles, they are posted on the bulletin board.
