Legislative Reports: Lee

Legislative & FOAC Reports:

- **Pennsylvania Superior Court Strikes Down Philadelphia Open Carry Law – Constitutional Rights June 25, 2025:** In *Commonwealth v. Sumpter*, the Pennsylvania Superior Court declared 18 Pa.C.S. § 6108 unconstitutional as applied, marking a major victory for Second Amendment advocates. The decision strikes at the heart of Philadelphia’s open carry restrictions, ruling that the city cannot impose criminal penalties for carrying a firearm openly without a license – when the same conduct is legal elsewhere in Pennsylvania. This does NOT mean that the law is unconstitutional for everyone, meaning it does not allow a person to open carry in Philadelphia. A person can still be charged for an open violation, and the person would then need to challenge the law as applied or the person could make a facial challenge to the law. A facial challenge means that the decision would apply to everyone.
- **West Hanover Township, PA –** Governor Josh Shapiro signed House Bill 1431 into law, repealing Pennsylvania’s longstanding ban on Sunday hunting. The new law gives the Pennsylvania Game Commission (PGC) full authority to decide which hunting seasons can include Sundays – guided by biological data and hunter feedback. Hunting contributes over \$1.6 billion annually to Pennsylvania’s economy, supports more than 15,000 jobs, and generates millions in state and local tax revenue. House Bill 1431, sponsored by Representative Mandy Steele, passed the House in a 142-61 vote and the Senate by a 34-16 vote – showing broad, bipartisan support. Identical legislation (SB67) was also introduced by Senator Dan Laughlin.
